

Dear customer,

You may already have noticed we changed from supplier for our X couplings and ferrules. This so we can keep supplying you with the same **quality** and **service** you are used to have.

This entails some **changes**. Our ferrules will get new item numbers.

Old number	New number
U1000	S0210
U2000	S0420
U5000	SN03T
U7000	SAB (thermoplastic)
U8000	SAC
HP**FP	S004I
HP**Z	S006I
U7000	EFH/C (EFH / EFC hose)
U7000	SCX0T (1SN, 1SC, 2SC)
-	S312T (X & 4SP/4SH/4ST+)

Through vandecalseyde.be/en/press-data you can always find our most up to date **crimp diameters**.

If something is not clear or you have some questions, do not hesitate to contact us at info@vandecalseyde.com or 09 255 55 10.

At your service,
Team VDC
